MEMORANDUM FOR DEPUTY ASSISTANT SECRETARY OF THE ARMY FOR

DEPUTY ASSISTANT SECRETARY OF THE NAVY FOR
MANPOWER AND RESERVE AFFAIRS
DEPUTY ASSISTANT SECRETARY OF THE AIR FORCE FOR
MANPOWER AND RESERVE AFFAIRS
DIRECTOR, RESERVE AND MILITARY PERSONNEL, U. S.

SUBJECT: Faith and Belief Codes for Reporting Personnel Data of Service Members

The Armed Forces Chaplains Board (AFCB) reviewed the Department's recognized faith groups and has recommended expanding this list of faith groups to better align with the language and intent of section 533, "Protection of rights of conscience of members of the Armed Forces and chaplains of such members," of Public Law 112-239, "National Defense Authorization Act for Fiscal Year 2013." The AFCB recommended adding new faith and belief groups to standardize and better identify religious preferences recognized by the Military Services. The AFCB asserts that these changes to identify the expanded faiths and beliefs will better assist the Department and the Military Services religious support planning by:

- Accurately tracking more faith and belief systems, providing more accurate demographic data for religious groups;
- Enabling better planning for religious support to the force; and
- Providing a better assessment of the capabilities and requirements of each Military Service's Chaplain Corps.

The AFCB requested these additional faiths and beliefs be incorporated into the Faith Group codes and provided to the Military Services so the Active and Reserve Components may begin reporting the expanded collection of Faith Group Codes before these changes are promulgated in Department issuances to report personnel data. The new Faith Group coding is detailed in the attachment. The current title "Faith Group Code" will be changed to "Faith and Belief Code" in the Department's personnel reporting requirements. These changes to Faith Group Code will be incorporated in Department of Defense Instruction 1335.05, and Enclosure 5, Department of Defense Manual (DoDM) 1336.05 for the Active Components and Volume 1, DoDM 7730.54, and Enclosure 5, Volume 2, DoDM 7730.54 for the Reserve Components with the next reissuance of these instructions and manuals.

The attached Faith Group Code table supports the existing code structure with additional codes for the new faiths and beliefs. These changes are provided so the Active and Reserve

Components may begin reporting these new codes voluntarily subject to the current capabilities in your reporting of personnel data to the Defense Manpower Data Center.

Thank you for your support in this important requirement stemming from requirements in public law and your support for ensuring the personnel data reported to the Department are accurate and timely. My point of contact for this memorandum is Mr. David Perich, 703-693-2238.

Lernes J. Hebert
Acting Deputy Assistant Secretary
(Military Personnel Policy)
