

Estate Gift/Bequest Intention Form

Support through an estate gift/bequest for the mission of the *American Humanist Association* may be directed in a couple of ways. Gifts made specifically to *The Humanist Foundation* (the AHA's Endowment Fund) support the AHA's mission in perpetuity by aiming to retain and invest the principle of those funds indefinitely, allowing for a portion of investment proceeds to support annual programs. Alternatively, if desired, donors may direct their gift to the AHA, which will result in the AHA Board's deciding the distribution of those funds based on current organizational needs, which may include active programs or may result in allocating a portion, or the entirety, to the Endowment Fund. We will honor the donor's intention as specified below.
